Roger : Excuse me. Can you show me the way to Mazumo on Haru Island?

Woman : It's a very long way to get to Mazumo. First, you have to climb a big mountain and go through a big forest in the middle of the island. And then there is still a very long way to go. And you also need a jeep and an experienced guide to get there. It's a ten-day trip.

Roger : I see. How can I find a jeep and an experienced guide?

Woman : Lucky you. My brother, James, is an experienced guide. He is free now, and he can show you the way in person.

Roger : Cool! So, how much does it cost for the jeep and the guide?

Woman : Well, twenty dollars a day for a jeep, and the same for James.

Roger : I'm OK with that.

Woman : By the way, there are not any stores there, and you must buy enough food. It is also very dangerous to go through the forest now because it is the rainy season. Listen to him on the way there, please.

Roger : Sure. I can't wait to go now.
